PLEASE BE ADVISED:

- **We believe that the Fund’s NAV discount is unacceptable.**
- **We believe that the Fund’s performance has been abysmal.**
- **On March 5, 2010, the Fund sued Western Investment in federal court to enjoin it and the Western Entities from voting more than 3% of the outstanding shares of the Fund’s stock at the upcoming annual meeting. Less than one month later, on April 1, 2010, the Fund’s lawsuit was dismissed with prejudice. If Management did a better job, it wouldn’t have to sue its shareholders to avoid being voted out.**

BACKGROUND

Western Investment, together with the other participants in this solicitation, collectively own 980,632 common shares, or 7.2% of the Fund’s outstanding common shares. We are committed to our investment in the Fund. If our investment in the Fund prospers, so does the investment of our fellow Fund shareholders.

We believe that the Fund’s NAV discount is unacceptable

The Fund’s Share price has traded at a persistent discount to its per Share net asset value (“NAV”) that has averaged 14.54% from the week ended December 31, 1999 until the week ended January 1, 2010, and was as great as 30.63% on March 10, 2009. When a NAV discount is excessive, a selling shareholder is forced to leave behind a substantial portion of the value underlying the shares at the time of sale. We believe the fair value of a share of common stock of a closed-end fund should be its NAV, or a value very close.

The table below shows the discount of the Fund’s Share price to the Fund’s NAV for the past ten years (on the last day of each calendar quarter).

<u>Quarter Ending</u>	<u>% Discount to NAV</u>

June 30, 2009	21.57
September 30, 2009	15.50
December 31, 2009	14.16

We believe that the Board has failed to take adequate action to reduce the Fund's persistent NAV discount.

In 2000, the Fund diluted the share base by over 3.5 million shares (roughly 1/3 of the outstanding shares at the time) in a rights offering. Although, in 2005, the Board authorized the Fund to repurchase up to 1,700,000 shares of its common stock on the open market when the shares are trading at a discount of 10% or more from net asset value, the amount of share dilution from the rights offering far outweighed the authorized share buyback of 1.7 million shares, let alone the shares actually purchased by the Fund. As illustrated in the table below, the average annual share repurchases for the period ending December 31, 2005 through December 31, 2009, have been less than 1/2 of 1% of the outstanding shares of the Fund as of 12/31/2009.

Year Ending	Shares Repurchased
December 31, 2005	139,500
December 31, 2006	12,400
December 31, 2007	17,000
December 31, 2008	7,200
December 31, 2009	183,400
5-year average	71,900

We believe that a Board who truly had the best interests of shareholders in mind would have taken more effective action, including aggressive repurchases of shares which would have been accretive to NAV and earnings per share, to address the substantial discount to the Fund's per share net asset value.

We believe that the Fund's performance has been abysmal

According to the Fund's most recent annual report (the "2009 Annual Report"), the Fund had an average annual return of negative 5.2% on a net asset value basis (a loss of 41.4% on a cumulative basis) for the 10 years ending December 31, 2009. For comparison, the Fund's benchmark, the MSCI World Free Index, had an average annual return of negative 0.24% during that same period. For the five years ending December 31, 2009, the Fund had an average annual return of negative 4.92% versus a **positive** 2.01% average annual return for the MSCI World Free Index. So how does this Board respond? Approve tender offers to provide shareholders with the ability to realize NAV on at least some of their shares? No. De-stagger the Board to increase accountability of directors? No. What then? They sue their own shareholders to try to prevent them from voting all of the Shares at the upcoming 2010 Annual Meeting of Shareholders!

On March 5, 2010, the Fund sued Western Investment and the Western Entities in federal district court in Baltimore, seeking an injunction to prevent them from collectively voting more than 3% of the outstanding shares of the Fund's stock at the upcoming 2010 Annual Meeting of Shareholders. The Fund hired two of the largest law firms in the United States, and was represented by at least 6 lawyers! Western Investment moved to dismiss this lawsuit immediately, and on April 1, 2010, the Fund's lawsuit was dismissed with prejudice.

SERIOUS ACTION BY THE BOARD IS NEEDED. SEND A MESSAGE BY VOTING FOR THE WESTERN INVESTMENT SLATE ON THE ENCLOSED GOLD PROXY CARD.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

The following information sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, offices, or employments for the past five years of each of our nominee directors (the “Nominees”).

THE NOMINEES

Gregory R. Dube (Age 55) is the founder of Roseheart Associates (“Roseheart”), a private company that invests in securities and real estate, and has served as managing member and Chairman since its inception in 1997. From 1998 to 2002, Mr. Dube was at Alliance Capital, where he served as the head of the Global High Yield Group from 1999 to 2002. Before joining Alliance Capital, Mr. Dube was a partner at Donaldson, Lufkin & Jenrette, responsible for the Tax-Exempt Capital Markets Division. Mr. Dube has an extensive background in the credit securities markets, including experience with trading and selling credit instruments, including corporate, high-yield, private placement, mortgage, Euro and distressed debt and derivatives. Mr. Dube currently serves on the Advisory Committee of New England Realty Associates Limited Partnership (AMEX:NEN), a partnership engaged in the business of acquiring, developing, holding for investment, operating and selling real estate, and as a member of the executive committee of Navigare Partners, LLC. Mr. Dube received his A.B. from Harvard College and was a Rhodes Scholar Nominee. Mr. Dube’s extensive investment experience, background in the credit securities markets and public board experience provides unique insight to challenges and issues facing the Fund.

Arthur D. Lipson (Age 67) has been managing private investment partnerships since 1995. He has been the sole managing member of Western Investment which has acted as the general partner, managing member or investment manager, as the case may be, of private investment partnerships in certain funds since 1997. Western Investment specializes in investing in undervalued companies. Mr. Lipson has additional substantial experience in sales and trading and research, including previously heading all fixed income research for Lehman Brothers and for Paine Webber, was a known leader in the industry, and created, among other things, the Lehman Brothers bond indices. From 2007 to 2008, Mr. Lipson served as a director of Pioneer Municipal and Equity Income Trust (“PBF”), during which time Mr. Lipson oversaw the elimination of a 17% discount to PBF’s net asset value and the merger of PBF into Pioneer Tax Free Income Fund, an open-end fund. Mr. Lipson received a Masters of Science from Columbia University and a Bachelors of Science from the California Institute of Technology. Mr. Lipson’s extensive investment experience, particularly with respect to closed-end funds, gives him strong insight into the challenges and issues facing the Fund.

There can be no assurance that the election of our Nominees will improve the Fund’s business or otherwise enhance shareholder value. Your vote to elect the Nominees will have the legal effect of replacing two incumbent directors of the Fund with our Nominees.

The election of the Nominees requires the affirmative vote of a plurality of the Shares voted at the meeting, provided a quorum is present.

For additional information concerning our Nominees, see *Appendix B - Information Concerning the Nominees*.

NOMINEES ON THE ENCLOSED GOLD PROXY CARD.**

PROPOSAL NO. 2

DECLASSIFICATION OF THE BOARD OF DIRECTORS

The Fund claims that a classified Board provides “important benefits” to the Fund and its shareholders. We disagree and question how such concepts as “allowing the Directors to become familiar with the Fund and its investment objectives” and providing “stability and continuity of management” have correlated to better performance when the Fund has traded at a persistent discount to NAV over the past 10 years. We believe that a classified Board at the Fund serves only to entrench under-performing directors and management.

Accordingly, we support the following proposal, submitted by shareholder David Massey, for shareholder approval at the annual meeting.

Shareholder Proposal

BE IT RESOLVED, that the stockholders of The Gabelli Global Multimedia Trust, Inc. (“GGT” or the “Corporation”) request that the Board of Directors take the necessary steps to declassify the Board of GGT and establish annual elections of directors whereby directors of the Corporation would be elected annually and not by classes. This policy would take effect immediately, and be applicable to the re-election of any incumbent director whose term, under the current classified system, subsequently expires.

Supporting Statement:

I believe that the ability to elect directors is the single most important use of the stockholder franchise. Accordingly, directors of GGT should be accountable to the stockholders on an annual basis. Currently, the Board of Directors is divided into three classes. Each class serves staggered three-year terms. Because of this structure, stockholders may only vote on roughly one-third of the directors each year. The election of directors by classes, for three-year terms, in my opinion, minimizes accountability and precludes the full exercise of the rights of the stockholders to approve or disapprove annually the performance of a director or the entire Board.

The staggered term structure of the Corporation’s Board is not in the best interest of stockholders because it reduces accountability and is an unnecessary anti-takeover device. Stockholders should have the opportunity to vote on the performance of the entire Board of Directors each year. I feel that such annual accountability serves to keep directors closely focused on the performance of the Corporation and its top executives and on increasing stockholder value. Annual election of all directors gives stockholders the power to either completely replace their Board, or replace a majority of directors, if a situation arises which warrants such action.

There are indications from studies that classified boards and other anti-takeover devices have an adverse impact on stockholder value. A 1991 study by Lilli Gordon of the Gordon Group and John Pound of Harvard University found that companies with restrictive corporate governance structures, including those with classified boards, are “significantly less likely to exhibit outstanding long-term performance relative to their industry peers.” *See also* Council of Institutional Investors Corporate Governance Policies (Updated May 1, 2009), at Section 2.1 “Annual Election of Directors: All directors should be elected annually. Boards should not be classified (staggered).”

I urge your support for the proposal to repeal the classified Board of Directors of GGT and establish that all directors of GGT be elected annually. Thank you.

Very truly yours,

/s/ David Massey

The approval of this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting on the proposal, provided a quorum is present. The Fund may choose not to adopt this proposal even if shareholders approve of the proposal at the Annual Meeting.

REVOCAION OF PROXIES

Shareholders of the Fund may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the annual meeting will not in and of itself constitute revocation of a proxy), by delivering a later-dated proxy by Internet, by telephone or by mail, or by delivering a written notice of revocation. The delivery of a later-dated proxy which is properly

completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Western Investment in care of Innisfree M&A Incorporated at the address set forth on the back cover of this proxy statement or to the Fund's Secretary, Agnes Mullady, c/o Gabelli Funds, LLC, One Corporate Center, Rye, New York 10580-1422, or to any other address provided by the Fund. Although a revocation is effective if delivered to the Fund, Western Investment requests that either the original or photostatic copies of all revocations be mailed to Western Investment in care of Innisfree M&A Incorporated at the address set forth on the back cover of this proxy statement so that Western Investment will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the record date of a majority of the outstanding Shares. If you hold your shares in street name, please check your voting instruction card or contact your bank, broker or nominee for instructions on how to change or revoke your vote. Additionally, Innisfree M&A Incorporated may use this information to contact shareholders who have revoked their proxies in order to solicit later-dated proxies for the election of the Nominees and approval of other proposals described herein.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this proxy statement is being made by Western Investment. Proxies may be solicited by mail, facsimile, telephone, Internet, in person and by advertisements.

Western Investment has entered into an agreement with Innisfree M&A Incorporated for solicitation and advisory services in connection with this solicitation, for which Innisfree M&A Incorporated will receive a fee not to exceed \$30,000, together with reimbursement for its reasonable out-of-pocket expenses, and will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. Innisfree M&A Incorporated will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. Western Investment has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the Shares they hold of record. Western Investment will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that Innisfree M&A Incorporated will employ approximately 25 persons to solicit the Fund's shareholders for the annual meeting.

The entire expense of soliciting proxies is being borne by Western Investment, subject to certain limitations, pursuant to the terms of the Joint Filing and Solicitation Agreement described in *Appendix C - Information Concerning the Participants*. Certain of the participants in this solicitation have separately agreed to reimburse Western Investment on a pro rata basis for these expenses. Because Western Investment believes that the Fund's shareholders will benefit from the Solicitation, Western Investment intends to seek reimbursement from the Fund, to the fullest extent permitted by law, of all expenses it incurs in connection with the Solicitation. Western Investment does not intend to submit the question of such reimbursement to a vote of security holders of the Fund unless otherwise required by law. Costs of the Solicitation of proxies are currently estimated to be approximately \$100,000. Western Investment estimates that through the date hereof, its expenses in connection with the Solicitation are approximately \$30,000.

Any such notice by a shareholder shall set forth the information required by the Fund's By-Laws with respect to each nomination or matter the shareholder proposes to bring before the 2011 Annual Meeting.

The information set forth above regarding the procedures for submitting shareholder nominations and proposals for consideration at the Fund's 2011 annual meeting of shareholders is based on information contained in the Fund's proxy statement. For information regarding purchases and sales during the past two years by Western Investment and its affiliates of securities of the Fund that may be deemed to be beneficially owned by Mr. Lipson, see *Appendix D*.

None of the Nominees, their affiliates or any other related persons, has, during the past 5 years, held any position, including as an officer, employee, director or general partner, with (i) the Fund, (ii) any investment company, or any person that would be an investment company but for the exclusions provided by Sections 3(c)(1) and (c)(7) of the 1940 Act, having the same investment adviser, principal underwriter or Sponsoring Insurance Company (as such item is defined in the 1940 Act) or under the control of such investment adviser, principal underwriter or Sponsoring Insurance Company, as the Fund, (iii) the Fund’s investment adviser, principal underwriter or Sponsoring Insurance Company and (iv) any person, directly or indirectly controlling, controlled by, or under common control of the Fund’s investment adviser, principal underwriter, or Sponsoring Insurance Company.

Since the beginning of the Fund’s last two completed fiscal years, no officer of an investment adviser, principal underwriter, or Sponsoring Insurance Company, of the Fund, or of a person directly or indirectly controlling, controlled by, or under common control thereby, serves, or has served, on the board

of directors of a company of which a Nominee or any of his Immediate Family Members (as such term is defined in Schedule 14A of the Securities Exchange Act of 1934, as amended) is or was an officer.

Western Investment has signed a letter agreement pursuant to which it has agreed to indemnify Messr. Dube against claims arising from the Solicitation.

Since the beginning of the Fund's last two completed fiscal years, no Nominee or any of his Immediate Family Members was a party to any transaction, or series of similar transactions or is a party to any currently proposed transaction, or series of similar transactions, in which the amount involved exceeded or is to exceed \$120,000 or has or has had any direct or indirect relationship, in which the amount involved exceeded or is to exceed \$120,000, to which (i) the Fund, (ii) any of its officers, (iii) any investment company, or officer thereof, or any person, or officer thereof, that would be an investment company but for the exclusions provided by Sections 3(c)(1) and (c)(7) of the 1940 Act, having the same investment adviser, principal underwriter or Sponsoring Insurance Company or under the control of such investment adviser, principal underwriter or Sponsoring Insurance Company, as the Fund, (iv) the Fund's investment adviser, principal underwriter or Sponsoring Insurance Company, or officer thereof, or (v) any person, or officer thereof, directly or indirectly controlling, controlled by, or under common control of the Fund's investment adviser, principal underwriter, or Sponsoring Insurance Company, was or is to be a party.

No Nominee or any of his Immediate Family Members has or has had any direct or indirect interest, the value of which exceeded or is to exceed \$120,000, during the past five years, in (i) the Fund's investment adviser, principal underwriter or Sponsoring Insurance Company; or (ii) any person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with the Fund's investment adviser, principal underwriter, or Sponsoring Insurance Company.

No Nominee or any of his Immediate Family Members owns beneficially or of record any class of securities in (i) the Fund's investment adviser, principal underwriter or Sponsoring Insurance Company; or (ii) any person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with the Fund's investment adviser, principal underwriter, or Sponsoring Insurance Company.

None of the Nominees or any of their Immediate Family Members has, or has had since the beginning of the Company's last two completed fiscal years, or has currently proposed, any direct or indirect relationship, in which the amount involved exceeds \$120,000, with any of the persons specified in paragraphs (b)(8)(i) through (b)(8)(viii) of Item 22 of Schedule 14A.

The Nominees are citizens of the United States of America.

The information provided above has been furnished to Western Investment by the Nominees.

Other than as stated in the proxy statement, including the appendices attached thereto, the Nominees will not receive any compensation from Western Investment for their services as directors of the Fund, nor are there any arrangements or understandings between Western Investment and any of the Nominees or any other person or persons pursuant to which the nomination described herein is to be made, other than the consent by each of the Nominees to be named in the proxy statement and to serve as a director of the Fund if elected as such at the annual meeting. Additionally, other than as stated in the proxy statement, none of the Nominees is a party adverse to the Fund or any of its subsidiaries or has a material interest adverse to the Fund or any of its subsidiaries in any material pending legal proceedings.

Western Investment does not expect that the Nominees will be unable to stand for election, but, in the event that such persons are unable to serve or for good cause will not serve, the Shares represented by the enclosed **GOLD** proxy card will be voted for substitute nominees. In addition, Western Investment reserves the right to nominate substitute persons if the Fund makes or announces any changes to its Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying the Nominees. In any such case, Shares represented by the **GOLD** proxy card will be voted for such substitute nominees. Western Investment reserves the right to nominate additional persons if the Fund increases the size of the Board above its existing size, increases the number of directors whose terms expire at the annual meeting or calls a meeting to fill any vacancies on the Board. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of Western Investment that any attempt to increase the size of the current Board or to reconstitute or reconfigure the classes on which the current directors serve constitutes an unlawful manipulation of the Fund's corporate machinery.

The profit, loss and/or return on such additional contracts may be wholly or partially dependent on the market value of the Shares, the relative value of such Shares in comparison to one or more other financial instruments, indexes or securities, a basket or group of securities in which such shares may be included, or a combination of any of the foregoing. Members of the Group may also, from time to time, enter into stock loan agreements with one or more counterparties in the ordinary course of business pursuant to which members of the Group may lend their Shares subject to recall at their discretion.
